IFEX 2025

Speerheading the future of Indian Foundry.

With a successful track record of 20 years IFEX has been established as most important platform for the foundry industry of the Indian sub-continent as a sourcing ground for all their foundry requirements. The 21st edition of the biggest foundry event will give wider aspects to the Indian foundry industry and its growth.

In a bid to make IFEX 2025 even grander it is concurrently taking place with the CAST INDIA EXPO 2025 to enhance manufacturing ecosystem for a brighter future. The presence of these casting manufacturers as exhibitors in the same venue will provide a ready customer base for Indian as well as international visitors.

CAST INDIA EXPO

The only trade fair in India, which is rapidly becoming one of the important casting sourcing destinations in Asia, **Cast India Expo** will be organized concurrent to **IFEX 2025** and **73rd Indian Foundry Congress**. This is an excellent platform for the foundries from all across India to display their capacities and capabilities to the buyers coming from across the globe.

73rd Indian Foundry Congress

73rd Indian Foundry Congress will be organized simultaneously on February 9th, 10th and 11th at the same venue. It is a unique platform to discuss and deliberate on the latest trends and challenges being faced by the foundry industry and formulate future strategies. Indian Foundry Congress is playing an important role for the overall growth of the industry.
